What is the Neurodevelopmental Conditions Learning Programme?

The Neurodevelopmental Conditions (ND) Learning Programme provides an opportunity for parents and carers to gain understanding of neurodevelopmental conditions, specific learning difficulties and associated mental health needs and gain strategies to support the difficulties that may present, including:

- **Neurodevelopmental Conditions - including Autism, ADHD, Sensory Processing Difficulties, Specific Learning Difficulties.**
- **Managing everyday challenges and behaviours - including sleep, toileting and eating difficulties.**
- **Your Local Offer, disability welfare rights and SEND, Early Help and Education Health Care Plans.**

Online Neurodevelopmental Conditions Learning Programme

**To join us on online,
Please click here to register your details.**

Our ND Learning Programme will be delivered online, once a week, over six weeks - only one registration is required to attend all of the six sessions and you will receive a reminder for each session.

Session 1	Session 2	Session 3	Session 4	Session 5	Session 6
Monday 9th September 6.30pm - 8.30pm	Monday 16th September 6.30pm - 8.30pm	Monday 23rd September 6.30pm - 8.30pm	Monday 30th September 6.30pm - 8.30pm	Monday 7th October 6.30pm - 8.30pm	Monday 14th October 6.30pm - 8.30pm

What is a Online Learning Workshop?

Online learning workshops provide parents and carers with an understanding of a particular topic around neurodevelopmental conditions. The workshop provides strategies to support children and young people at home and in school, with an opportunity to interact with our team via the chat and Q&A function. Our online offer is delivered via Zoom for Healthcare, and you will receive a reminder with the link before the session via your email.

Supporting Sleep

Sleep is essential to function on a daily basis. Poor sleep can impact a child or young person's ability to focus and learn. Neurodivergent children and young people may struggle with sleep. During the workshop, our trained sleep practitioners will offer strategies and advice on how to improve sleep routines.

When?	Where?
Friday 27th September 9.30am - 12.00pm	<u>Please join us online by clicking here to register your details.</u>

What is the Professionals Neurodevelopmental Conditions Awareness Raising Training?

Designed to improve professionals' understanding of neurodevelopmental conditions (NDCs), how they may present and how one condition may overlap with another. Professionals attending this training will develop knowledge, skills and confidence to better support neurodiverse children, young people and their families:

- **Understand the differences between ADHD, Autism, and other NDCs**
- **Recognise the typical behaviours of ADHD, Autism and other NDCs**
- **Recognise the impact that unsupported and unmanaged characteristics of NDCs can have on an individual and their family**
- **Understand the impact that sensory processing difficulties can have on children and young people**
- **Identify local support available for professionals, children, young people and their families.**

ADDvanced Solutions Community Network is commissioned to deliver a limited number of Neurodevelopmental Conditions Professional Awareness Raising Training. If you are interested in this full day's training, please call the office on 0151 486 1788 or email info@advancedsolutions.co.uk.

Coffee Mornings, Afternoons and Engagement Events

Our team are happy to attend any face-to-face coffee mornings and/or online sessions to explain our offer for families and professionals. Please email us at info@advancedsolutions.co.uk for further information.

Seeking Crisis Support?

ADDvanced Solutions Community Network is not a crisis service. If you, a child or young person is experiencing acute distress and is deemed to be a risk to themselves or others, we have listed the local area crisis contact details on our urgent support page, which you can find on our website: www.advancedsolutions.co.uk under the 'Contact' menu option.

You will also find links to national organisations that can offer support.

Online offer:

Our online offer is delivered using Zoom for Healthcare. The details we request are kept securely and used in line with our privacy policy: www.advancedsolutions.co.uk/policies/privacy-policy.html

If you are using a phone, you will need to download the Zoom app beforehand.

Please be mindful of your data usage. If you do not have an unlimited data plan, you may need to connect to a Wi-Fi connection to prevent charges.
