

# Knowsley

## Parent Power

Would you like to take part in interactive, fun sessions alongside your child?

You are invited to join us for our next Knowsley Parent Power meeting, organised by Hope University.

**Date: Monday 17th February**

**Time: 5pm - 7pm**

**Venue: Hope Park Campus, Childwall, L16 9AG**

Calling all sleuths!

Through a game/crime investigation activity, the group will explore the different ways we can use biology in crime scenes, including blood typing and microscopy of hair samples. Using key biological techniques, the group will work through our samples to identify the suspect in the crime.

In addition, we'll have several nutrition tasks to get us thinking about the food we eat and what this means for our health. These activities will show different and fascinating ways students could use a biology degree!
